Pure joy captured in a single moment—thank you to SM Supermalls shoppers for making this holiday season extra special for these kids.

An annual initiative of SM Cares, the SM Bears of Joy campaign empowers shoppers to spread holiday cheer by purchasing a pair of specially designed plush bears one to keep and another to share. This year's theme. "Hug-a-Mood," introduced four charming bears: Mikah, the curious explorer; Ash, the gentle and shy friend; Bree, the spirited adventurer; and Ronnie, the creative dreamer. Each bear brought its own personality, symbolizing the warmth and joy of the season.

Giving back this holiday season, SM City Urdaneta Central brings joy to children of Urdaneta City Social Welfare and Development Office with Bears of Joy.

Beyond the numbers, the true impact lies in the ripples of care created by this campaign. Each donated bear represents the kindness and generosity of a community united in its commitment to giving back. These simple acts of giving spread not only joy but also hope, showing that small gestures can create meaningful change

SM City Baliwag visits the Dumagat Tribe, bringing festive joy to children in need with every bear gifted.

This initiative also reminds us that the holidays are a time to create special memories, especially for children who may not always feel the season's merriness. Through the unwavering compassion of SM shoppers, the Bears of Joy initiative delivered smiles, warmth, and a powerful message of love to children nationwide.
